frustration

/frəˈstrɑːʃ(ə)n/

noun

the feeling of being upset or annoyed, especially because of inability to change or achieve something. "I sometimes feel like screaming with frustration"

Similar: exasperation annoyance anger vexation irritation bitterness

• an event or circumstance that causes one to have a feeling of frustration.
  plural noun: frustrations
  "the inherent frustrations of assembly line work"

• the prevention of the progress, success, or fulfillment of something.
  "the frustration of their wishes"

Similar: thwarting defeat foiling blocking stopping countering
e.g. Why isn’t there just one place to put all my course stuff?
Why isn’t there just one place to put all my course stuff?

- There is, but it doesn’t do everything you want.
Why isn’t there just one place to put all my course stuff?

- There is, but you want.

“You can have any color you want, as long as it’s black.”
—Henry Ford
Why isn’t there just one place to put all my course stuff?

- There is, but it doesn’t do everything you want.
- The world hasn’t been doing this long enough for things to settle down – we are still in a decades long societal reaction to ubiquitous technical change
Why isn't there just one place to put all my course stuff?
- There is, but it doesn't do everything.
- We haven't been doing this long enough for things to settle down.
Why isn't there just one place to put all my course stuff?

- There is, but it doesn't do everything
- We haven't been doing this long enough for things to settle down
Why isn’t there just one place to put all my course stuff?

- There is, but it doesn’t do everything you want.
- We haven’t been doing this long enough for things to settle down.
- Everything is changing ... all at once ... all the time.
frustration

noun

the feeling of being upset or annoyed, especially because of inability to change or achieve something. "I sometimes feel like screaming with frustration"

Similar: exasperation, annoyance, anger, vexation, irritation, bitterness

• an event or circumstance that causes one to have a feeling of frustration.
  plural noun: frustrations
  "the inherent frustrations of assembly line work"

• the prevention of the progress, success, or fulfillment of something.
  "the frustration of their wishes"

Similar: thwarting, defeat, foiling, blocking, stopping, countering

POLLING
Whether to Collaborate - Question 1

Question
When considering whether to collaborate on a law school project, it's smart to first check the following:

Students responded:

- A. The course syllabus 75% 42/55
- B. The Student Handbook and honor code 18% 10
- C. With other students 7% 4

Rubistar
Create Rubrics for your Project-Based Learning Activities

Enter performances for your rubric. There are many existing performances for you to use. First, use the Topic pull-down menu to select a performance topic, then use a component to select a specific performance in that topic. Use the Custom Component field to create your own performance. To add performances, click the Add a Row button at the bottom of the form.

Every rubric also has a checklist. You can edit the checklist item for each performance. Click the Checklist icon to view the checklist.

Delivering Content
Unlimited Tracks
Add as many layers as you need for watermarks, background videos, audio tracks, and more.

Title Editor
Adding titles to your video has never been easier. Use one of our templates, or make your own.

Edit Video
Drag and drop video, audio, or images from your file manager into OpenShot. It's that easy to get started video editing.

Video Effects
Using our video effects engine, remove the background from your video, invert the colors, adjust brightness, and more.

3D Animations
Render beautiful 3D animated titles and effects, such as snow, lens flares, or flying text.

70+ Languages
OpenShot is available in many different languages, and can be translated online with LaunchPad.

Audio Waveforms
Visualize your audio files as waveforms, and even output the waveforms as part of your video.

Slow Motion & Time Effects
Control the power of time, reversing, slowing down, and speeding up video. Use a preset or animate the playback speed and direction.

Simple User Interface
We have designed OpenShot to be the easiest and friendliest video editing software ever! Give it a try and see for yourself.
OBS Studio

Latest Release Windows 25.0.8 - April 26th
macOS 10.13+ Linux

High performance real time video/audio capturing and mixing. Create scenes made up of multiple sources including window captures, images, text, browser windows, webcams, capture cards and more.
